To: Food, Drug, and Cosmetic Chemicals Committee

Subject: Brazilian Food Additives Regulations

Gentlemen:

Enclosed is an announcement regarding the establishment of food additives regulations in Brazil, which may be of interest to MCA member companies exporting there.

Sincerely yours,

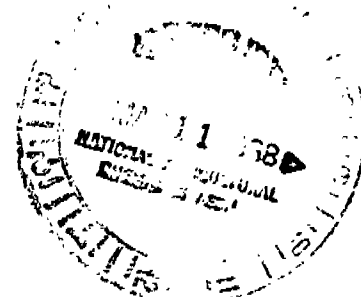

Morgan M. Hoover

MMH:sjg

ESCRITÓRIO TALANTA

FOOD TECHNICAL ADVISORY

GENTLEMEN:

WE ARE HEREBY INFORMING YOU THAT THE USE OF FOOD ADDITIVES IN BRAZIL IS SUBJECT TO REGULATIONS ESTABLISHED BY DECREE Nº 55 871/65 BY WHICH A LIST OF PERMISSIBLE ADDITIVES WAS APPROVED AND BY WHICH PREVIOUS REGISTRATION AT CENTRAL LABORATORY OF CHEMICALS, MEDICINES AND FOOD CONTROL OF THE HEALTH MINISTRY IN BRAZIL HAS BECOME COMPULSORY.

SAME DECREE ESTABLISHED THE NORMS TO BE FOLLOWED FOR THE INCLUSION OF NEW ADDITIVES OR FOR ITS EXTENDED USE TO INCLUDE OTHER TYPES OF FOOD.

SHOULD YOUR COMPANY BE INTERESTED IN EXPORTING FOOD ADDITIVES TO BRAZIL, THE "ESCRITÓRIO TALANTA", THROUGH ITS SPECIALIZED TECHNICAL ADVISORY COUNCIL, WILL PLACE ITSELF AT YOUR DISPOSAL TO HAVE ADDITIVES REGISTERED AT THE CENTRAL LABORATORY OF CHEMICALS, MEDICINES AND FOOD CONTROL OR TO MAKE APPLICATION FOR APPROVAL OF ITS INCLUSION OR ITS EXTENDED USE TO THE NATIONAL COMMITTEE FOR NORMS AND STANDARDS FOR FOOD.

AWAITING AN ANSWER FROM YOUR COMPANY

I REMAIN

Maria Santos Baptista
