Subject: Topics for tomorrow's call

Hi all,

for tomorrow's call, we could discuss

- Tattoos next steps and joint info session

Info session planned for 29.3., to be promoted. Media interest continues.

- EFSA's Eurobarometer study

No similar studies in planning at the Commission. ECHA can share the results with COM colleagues.

- Our upcoming news: Data donation from pharmaceutical companies, PFAS in firefighting restriction proposal, annual evaluation statistics

ECHA can share the PFAS news materials with COM colleagues.

ECHA: Last week of March, several events: MB meeting, Bjorn leaving, visit from DG ENV.

DG ENV: [REDACTED] will chair the High-level roundtable for stakeholders. Kestutis leaving for another DG.

Next roundtable is planned for 18 May.

Green week in late May - early June. Theme still to be checked.

DG GROW: COM gets letters from MEPs and stakeholders on tattoos.

Microplastics restriction moving forward, no date yet.

Nappies: NGO letter received. COM waits for the final opinion from ECHA to Commission, mid-February, then starts processing it.
