INDUSTRY PROMOTION COMMITTEE

SCOPE:

Activity in a Market Role:

1. Under direction of AACPP Board.

2. In coordination with other AACPP Committees.

To accomplish the following:

A. Gather, in compliance with legal reporting requirements, statistical information from member companies to determine accurate size of North American A/C pipe industry by market segments--that is, water, sewer, all other.

B. Gather, in compliance with legal reporting requirements, statistical information from member companies and outside sources to determine total size of market segments, including imports, and share of market of competitive products and A/C.

C. Define new and/or existing markets where there is a potential for increased sales of A/C pipe.

D. Define areas where increased advertising and promotion will increase and/or maintain sales.

E. Define needed areas of A/C pipe technical knowledge and specifications as a guide to other AACPP committee activities.

F. Direct efforts toward acceptance of all A/C pipes by all buying influences.
