YOUR REF.

October 31, 1955.

Dr. R.A. Kehoe,
Kettering Laboratory of Applied Physiology,
University of Cincinnati,
College of Medicine,
Eden Avenue,
CINCINNATI 19,
Ohio,
U.S.A.

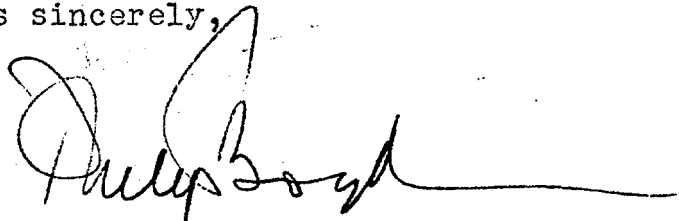

Dear Dr. Kehoe,

Further to my recent letter on the subject of air pollution, I enclose some correspondence which has passed between Dr. Lindsey and myself on this matter.

I will keep you informed if any further information should come my way. I am trying to persuade these people to let me in on some of their work as soon as they feel they can do this.

With kindest regards,

Yours sincerely,

(Philip Boyd).
