Mr. A. J. Cole
407 South Montgomery Street
Dayton, Ohio

Dear Mr. Cole:

I have a letter today from the Industrial Commission of Ohio requesting that I get in touch with you promptly for the purpose of making an examination with reference to your present status as a claimant for workmen's compensation.

In as much as I have a number of engagements which will take me out of the city, it will be necessary for me to see you on some day next week. I suggest that you make suitable arrangements to come to my office at the College of Medicine, Eden Avenue, in Cincinnati, on some day next week, and that you notify me by telephone the day before as to the exact time of your coming. If you will call me at my office, University 2665, and have the charges reversed, we will be able to make an engagement whereby you will be saved considerable delay and I will be saved a great deal of time and inconvenience. If I am not in at the time you call, the necessary arrangements can be made by my secretary. In any case, I trust it will be possible for you to come next week for otherwise a considerable delay will result.

Very truly yours,

RAK:is

Robert A. Kehoe, M.D.
