

1 with Mr. Grewe on that day?

2 A Yes.

3 Q Now, at that time was he officially
4 diagnosed with mesothelioma?

5 A At that time the feeling was that he had a
6 malignancy, and within the differential, one of the
7 main considerations was mesothelioma.

8 Q Now, when you went to see him, to your
9 knowledge, had any type of lawsuit been filed at this
10 point, do you know?

11 A No.

12 Q Okay. Now, when you went to see him, did
13 you take an occupational history from Mr. Grewe?

14 A I had reviewed his chart and also spoke with
15 him.

16 Q Yourself?

17 A Yes.

18 Q And what did he tell you with regard to his
19 occupational exposure to asbestos?

20 A That he had worked as an auto mechanic and
21 had been involved with brake linings.
