

M. H. DETRICK COMPANY

DEC 22 RECD

SUBJECT: Sintering Units
Weirton Steel Co.

FROM CHICAGO

DATE December 19, 1958

Mr. J. D. Thomas
PITTSBURGH OFFICE

Dear Jim:

Supplementing our letter of December 18th, we have been advised that in the event we increase the quantities of tile A, B, and C to accommodate four noses, the unit price would decrease slightly. Below we show the quantity required for four noses along with the price of each item:

56 Tile "A" @ \$14.81 each	- \$ 829.36
56 Tile "B" @ \$18.00 each	- 1,008.00
56 Tile "C" @ \$20.19 each	- 1,130.64
100# Fire Frax #1 Mortar @ \$14.50/CWT.	- 14.50
	<u>\$2,982.50</u>

ALTERNATE

56 Tile "A & B" @ \$27.50 Each	- \$1,540.00
56 Tile "C" @ \$18.00 Each	1,130.64
100# Fire Frax #1 Mortar @ \$14.50/CWT.	14.50
	<u>\$2,685.14</u>

The above prices are FOB Keasbey, New Jersey.

You will note we have added the Fire Frax Mortar which we find is necessary for laying up this tile. This mortar is available in 100# drums and approximately one-half pound per tile is required. During our phone conversation with the Carborundum Company on this change, we were advised that with the increase in quantity the mold charge would be deleted.

Very truly yours,

J. C. Kliefoth
