Dr. G. W. H. Schepers
The Saranac Laboratory
Saranac Lake, New York

Dear Dr. Schepers:

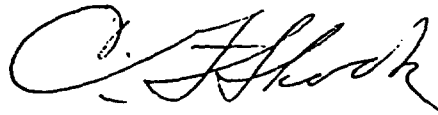

SUBJECT: LEE BRYSTON - SARANAC LABORATORY NO. P-56-682 OCD 68

Further reference is made to your letter of August 2 and to Bill Hazard's reply of September 11 on the case of Lee Bryston.

We are most anxious to close our file on this individual and we would appreciate your advising us as to the status of the final report.

Thanking you for an early reply and with kindest regards, I am

Sincerely yours,

Medical Director

C. F. Shook, M.D.
