Great. I'll have Jen give you a call next week. Thanks Tate.

Hi there! What kind of staffer are you looking for? Someone from communications? I'd be happy to speak to her and figure out the best route. Ex. 6

The Communication's Officers of State Departments of Agriculture (COSDA) – our departments comms folks – are looking for someone from EPA to be on a panel at their annual meeting in New Orleans this September. My Communication's Director Jen Holton is working on the program for them. Who would you suggest she speak with about this request?

Thanks for your assistance. Have a nice weekend.
