

1 or eight months before he died.

2 Because, am I correct, Doctor, that he went
3 to the hospital and they discharged him and he would
4 go back and forth?

5 A I don't understand your question.

6 Q All right. Am I right that from the time he
7 first became ill that he did not stay in the hospital
8 from that date until the day he died?

9 A Yes.

10 Q So he would get sick, they would treat him
11 at the hospital, send him home and he would be doing
12 okay at home and he would come back in for certain
13 treatments.

14 Isn't that the regular course that this
15 took?

16 A Yes. Or outpatient visits. A lot of these
17 were outpatient visits. These aren't hospital visits,
18 these are outpatient visits.

19 Q All right. He is not even in the hospital
20 at this time, is he, when he sees Dr. Heyman?

21 A No, these are in the office. It says right
