Dear Sydney,

Please see the attached note from the Boys & Girls Club regarding the May 24, 2017 event. Unfortunately, it looks like the schedule was too ambitious. If Administrator Pruitt is still interested I believe the Club is interested in re-scheduling, but this time with more lead time before the event. Sorry for any inconvenience that this may have caused for Administrator Pruitt and the Ethics Office.

Best Regards,

Mark

DATE: May 17, 2017

SUBJECT: Fundraiser at the Washington Nationals Ballpark

Thank you for your willingness to participate in a fundraiser for the Boys & Girls Clubs of Greater Washington ("BGCGW"). We continue to work with your officer for Ethics at the Environmental Protection Agency, but we have not been able to secure approval from that department at this time.

Given this delay, our organization would like to reschedule this event to a date in the future that is mutually agreeable to you and your staff. By rescheduling this event, we believe your staff will better be better able to prepare you for the event, and BGCGW will have an opportunity to invite potential donors with the ethics approval in hand.

Thank you for your efforts to support the 15,000 youth in Washington, D.C. Our kids are excited to meet you and to honor your commitment to our clubs. Personally, I am honored you would consider our request, and we hope that we can work out a mutually agreeable date with your staff in the near future.
