Hi Sydney,

Several major health and medical conferences take place the last two weeks of May, which means several of our CEOs would not be able to attend if we scheduled the meeting during that timeframe.

Are there any times in June that might work on your end?

Thanks again,

Lyndsay

Hey Lyndsay,

We will actually be overseas June 4-14. June is very full for us. Is May a possibility on your end?

Thanks!

Hi Sydney,

I'm currently getting feedback from our group that June 8<sup>th</sup> is potentially a workable date, with June 7 in the afternoon as a possible back up. How do either of these dates look for Administrator Pruitt?

I will definitely fill out the form and send it to you. Thank you for sending it.

Best,

Lyndsay

Hey Lyndsay,

May 3 won't work for us now either. Since you are coordinating so many schedules, why don't you send me some possible days in times and I will endeavor to make one of them work.

Additionally, would you mind filling out the attached form for scheduling purposes on our part?

Thank you!

Hi Sydney,

We are having trouble coordinating our CEOs' schedules. We may be able to make one of these work, but are there any other dates/times that would work for Administrator Pruitt in early May?

Many thanks in advance for your help!

Best,

Lyndsay
