Environews, Incorporated
1097 National Press Building
Washington, D. C. 20004

Dear Mr. Fishbein:

Over the past few years your publication has given extensive coverage to the subject of the occupational health hazards of asbestos.

For this reason, we thought you would be interested in the attached letter and enclosures which we recently sent to John H. Stender, Assistant Secretary of Labor for Occupational Safety and Health.

Sincerely,

Matthew M. Swetonic

Matthew M. Swetonic
