TO : Bob Hammann

The following people will be working on our "eye program":

Greg Escamilla - order pamphlets and film

Faye Hogg &

Marilyn Decker - letter to be sent with pamphlets to homes

Ernie Chuoke - bulletin board (artwork)

Greg just called and said that he had talked to the people in Houston and they gave an approximate date of information arrival as 3-4 weeks. This should work out very well as we scheduled the mail-outs as follows:

April 1st - Hazards of Spring Clean-Up

July 1st - Diabetes - Threat to Sight, and
The Threat of Glaucoma

October 1 - Dead Battery Dangers, and
Eye Accidents - A Terrible Toll

(January 1 - For a Lifetime of Sight

Our next meeting for the "eye program" will be to stuff envelopes (with luck about the last week of this month). Of course, if "your" committee is needed to save your hide before then, please let us know--we'll vote on it.
