

1 Q And what do you recall concerning Mr. Wood
2 in terms of his demeanor or anything, that you can
3 recall?

4 A I thought he was a very pleasant gentleman.
5 I described him as a loving man on several occasions
6 in my chart.

7 Q Now, prior to seeing Mr. Wood on January
8 9th, did you have an occasion to either review any of
9 his medical records before seeing him or speaking with
10 any other physicians concerning Mr. Wood's care?

11 A Yes. Actually, the initial information that
12 I obtained from him was a conversation that I had with
13 Dr. Moko when he called my office and he described his
14 case and what had transpired up to that time.

15 When I went to the hospital to see him, the
16 first thing I did was to review his hospital records.

17 Q And --

18 A I am not sure exactly what records I had
19 available to me at that time except that I do know
20 that I had the records available from the admission
21 which began on January 4th, 1990.
