Dear Rod Bollich:

CONGRATULATIONS

*Based on the information supplied in your response to our 1991 SPI Safety Award Program,
I am pleased to award you the attached:*

DISTINGUISHED SAFETY AWARD

A Distinguished Safety Award recognizes plants that have operated without on OSHA recordable injury or illness.

Enclosed is a recap of the data you submitted for your manufacturing site together with a summary report for all participants, looking at the industry both as a whole and by type of plant, as well as a news release on our Safety Award Program listing all the winners.

Again, thank you for your participation and I look forward to your participation again next year.

Sincerely,

*Richard H. LaLumondier
