Deft Touches that make the house a home

It may be only a chair, rescued from long oblivion in the attic, that lends a bright spot to an otherwise colorless room; or a brilliant basket holding a bowl of flowers. But surely it is the little touches—the feminine touches—that make the house a home!

Women who are anxious to beautify the interior of their homes are devoted to such Fuller products as Kenwhite Enamel, Decorat and Fullerwear Varnish. Decorat, a varnish and stain in one, imitates various natural woods—oak, mahogany, walnut, etc. It also comes in liquid bronze in a variety of shades for radiators, chandeliers and picture frames.

All Fuller Products are of consistently high quality, the result of long years of determination to excel. There is a local Fuller agent in every town who carries Fuller Products. Why not see him today. He will give you our "Home Service" booklet. Wherever your painter is, W. P. Fuller & Co. makes a paint for the purpose.
