Rich,
Since HCPs are primarily a FWS responsibility I'd refer you to my colleague Aurelia, copied above.

She is a DAS in Fish and Wildlife and Parks.

Thanks,

Scott

Scott - Great to see you earlier this week. Thank you for leading the meeting for Interior. We would very much appreciate the opportunity to continue to work with Interior as our HCP develops. As you the best single point of contact for us at Interior right now?

Could we do it closer to Interior? How about the Exchange, on G between 17th and 18th? Yes, HR is in my portfolio.

Thanks,
Scott

Scott,
March 9th is great. How is the City Club for lunch? Is noon good?

If so, will send a calendar entry.

Also, looking forward to seeing you.
Is HR also in your portfolio?

My very best,

Hi Art,
I could do March 9 that week. The 7th and 8th don't work.

Looking forward to seeing you.

Scott,
I was concerned that my email did not get to you.
Ronnie and I are going away on Feb vacation (we go away with friends every year).

How is the first or second week in March for you (7th or 8th).

I am worried that my email went to spam. Any suggestions?

Good luck with your budget!

We have a lot to catch up.

Wish I could be part of the Administration. Would love the challenge.

Wow. You have a lot in your portfolio! Not much left other than programs. Just like your job in the Bush Administration. Very impressed but glad you are there for the Dept and our Great Country!

Thanks,
Art

Art,
Your email somehow ended up in my spam folder. Would be happy to get together for lunch next week. The budget is coming out tomorrow so this week is high pressure. Maybe Tuesday 2/20?

Thanks,
Scott

Scott,
Hope you are doing well. DOI is lucky to have you back in government.

Wanted to share that earlier this week Potomac Forum had a very successful in-house training workshop: *Supervisory Fundamentals for Managing Performance and Conduct* for the National Park Service.

Tony Nguyen who, I believe is the CHCO equivalent at the Park Service, asked Potomac Forum to present the training for the Park Service leadership and it went very well. I really enjoyed working with and coordinating with Tony. He has been one of our guest government speakers over the last year or so at our Employee Engagement and other HR workshops. I am impressed with him!

I was going to stop by your office after the workshop, but did not want to take the chance of interrupting you. I love the Interior building - So much history!

Soo, hope we can get together for lunch or dinner over the next couple of weeks. Please let me know some good times. I have lots to share with you.

I thought about going into the Administration but can't because of my CSRS retirement and I don't want to work so hard (I would be spending 12 hours in the office and all my waking hours at home working so much to do and I know too much (You know what I mean!!!)).

My very best and good luck with your new position. I looked you up to find your email address. I am very happy for you, Interior and our Country.
