Hi Nancy,

Yes, that is correct. I don't have access to it either. But I wanted to show you as much as I could. At the meeting, it was suggested that it might be helpful to have a webinar on IMDS and GADSL. I would be happy to look into facilitating that...

Please let me know if you have any other questions or need more info.

Thanks!

Best Regards,

Stacy

Thank you Stacy!

So I just clicked on the IMDS link—but unless I'm a supplier or sub-supplier, there is no way for me to access it/login. Is that correct?

Regards,
Nancy

Dear Ms. Cleland-Hamnett, Ms. Beck, Ms. Canavan, and Ms. Henry:

Thank you all very much for taking the time to meet with us yesterday to allow us the opportunity to share automakers' unique concerns regarding substance regulations. We found the meeting to be very positive and informative, and we look forward to continuing discussions with you in the near future.

Attached, please find the electronic version of the presentation we provided yesterday.
