Sydney, thank you so much for the prompt turnaround on my request. I'm currently checking with folks who will be attending and will get back to you when I have them all corralled. Should be able to confirm tomorrow.

Good afternoon Mr. Blount,

Hopeful that this email finds you well! Ryan forwarded me your note requesting a meeting with Administrator Pruitt. I would be happy to get that set up for you! Just to clarify, the meeting would be in DC? If so, we are fairly flexible on the 25<sup>th</sup> in the afternoon. Can we get something set up at 1:15PM or after 2:45PM?

Thank you!

Hi Ryan:

I would like to request a meeting with Administrator Pruitt to discuss air quality issues facing the rapidly growing petrochemical/refining industry in Southeast, Texas. The dates that could

work for our team are May 15, May 25 or May 26. Attendees would be myself, John Durkay, General Counsel to the Industrial Safety Training Council, Wayne Turner, Sunoco logistics, Greg Masica, BASF Total petrochemicals, and Eric Miller, Total refining. I have attached hereto, a brief synopsis of the issue at hand.

Please let me know how we can help make this meeting a reality.

Best regards,

John
