Emne: Letter from U.S. Textile Association NCTO Regarding Regulation of PFAS
and PFHxA
Vedlegg: NCTO PFAS Packet.pdf

Good Afternoon:

On behalf of the National Council of Textile Organizations (NCTO), a trade association representing the full spectrum of the United States textile industry, please see the attached letter from NCTO President & CEO Kimberly Glas regarding regulation of PFAS and PFHxA.

Thank you for considering our input, and please let us know if we may answer any questions.

Best regards,

Sara Beatty
Senior Vice President
National Council of Textile Organizations
