PROJECT Reroute 20" OD

Quench Airline to Acid
Converter

LOCATION El Paso, Texas

We propose to furnish labor and equipment to reroute the 20" OD Quench Airline to the Acid Converter as indicated on your drawing E 23853 for \$7,490.00 (Straight Time Hours).

This quotation is based on the following conditions:

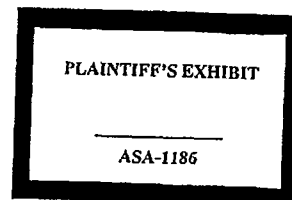

1. All material other than welding rod to be furnished by others.
2. Insulation work is excluded.
3. Existing scaffold to remain for our use.
4. Brick work at new opening in converter to be performed by others.

Respectfully submitted,

Bill C. Fiske

NORMAL CONDITIONS OF ACCEPTANCE, SALE AND PAYMENT ARE STATED ON REVERSE SIDE OF THIS QUOTATION.

ASARCO ELP 0009385

TERMS AND CONDITIONS

1. All quotations are subject to prompt acceptance and transmittal of order and to confirmation at time of order.
2. This proposal is based on a forty-hour week, Monday through Friday. The premium will be charged at our costs plus insurance and taxes for any work authorized by you, to be performed before 8:00 A.M. and after 4:30 P.M. or on Saturdays, Sundays or holidays.
3. Unless otherwise noted, this price is based on the present hourly wage rates of Building and Construction Trades in the locality where the work is to be performed. In the event that an undue delay of the acceptance of this quotation or in the start of the job causes a wage increase to be effective, this quotation will be re-figured to include the increase.
4. The Company reserves the right to correct all typographical or clerical errors.
5. Should the Customer order any change in the work to be performed as outlined in the proposal, the Contractor reserves the right to adjust this quotation price accordingly.
6. Unless otherwise specifically stipulated, the Customer is to maintain job site free and clear of any equipment or material that may, in any way, interfere with the work to be performed under this proposal. This shall be done without cost to us.
7. All agreements are contingent upon strikes, accidents, and other delays beyond our control.
8. We shall not be liable for any losses the Customer incurs, that may be caused by delay in the completion of work to be performed under this quotation, when such delay is caused by conditions beyond our control.
9. The terms of payment for any work covered by this quotation shall be net cash upon completion of work, except as may be provided by job specifications.
10. All structural steel will be erected in accordance with A.I.S.C. Manual of Steel Construction, latest edition.
