presently a member of the Friction Materials Standards Institute (1949-present); the American Industrial Hygiene Association; the Air Pollution Control Association; the Manufacturers and Allied Products Institute and the American National Standards Institute.

35. Have you, at any time, been a member of and/or contributed to the Industrial Hygiene Foundation: If so, state:

(a) The dates you were a member and/or contributed;

(b) The identification of any publication of any such organization;

(c) What meetings you attended and who attended;

(d) Who spoke at such meetings;

(e) Where transcripts or summaries or minutes or notes made of such meetings? If so, identify the above, tell specifically what was made and give the name, title and address of the person or persons who have custody of the transcripts and/or summaries and or minutes and/or notes mentioned above and state when and where counsel for the plaintiff may examine and copy these documents.

ANSWER: Abex objects to this interrogatory on the grounds that it is overly broad, burdensome, irrelevant to this case and not reasonably calculated to the discovery of admissible evidence. Without waiving and subject to these objections, Abex does not believe it was ever a member of the Industrial Hygiene Foundation.

36. State whether you have received any workmen's compensation claim for injury, occupational disease, or death, to any of your employees or to any persons working as
