Dear Doctor Kehoe,

It was very nice seeing you at the A.P.I meeting
last week in New York.

I take the liberty of reminding you of my request for
some bibliographical references or review article on the gen-
eral problem of lead tetraethyl toxicity. I would be very
grateful to you if you could send me this information, as
you so kindly suggested during our conversation.

Many thanks and best regards.

Yours sincerely,

Umberto Saffiotti, M.D.
Associate Professor of Oncology
