Dear Mr. Stohler:

In your letter of June 12, to Mr. Kendall, you requested copy of our schedule to Evansville, Terre Haute and Vincennes.

Assuming you had in mind schedules from Chicago, we have shown our present freight train schedules between Chicago and Evansville, including Terre Haute and Vincennes, on the attached statement. Trains Nos. 57 and 84, operate on through schedules and do not serve Terre Haute and Vincennes, but they do handle through freight between Chicago and Evansville. Trains Nos. 83 and 58 are those that serve Terre Haute and Vincennes, as well as Evansville.

Thank you for your inquiry. We hope this information will be of benefit to you and we are looking forward to serving you on our new line between Chicago and Evansville. It may be that some of these schedules will be changed soon and we are asking our Chicago office to keep you advised of such changes.

Yours very truly,

Vice President
