

INTERROGATORY NO. 9:

State whether any of Defendants' present or former officers or directors ever served (whether before, during or after becoming Defendants' officer or director) as an officer or director of any other company, corporation or business which manufactured, sold or distributed asbestos or asbestos-containing products and, if so, please:

- (1) Identify each officer and director of Defendant, who served as such other company's officer or director; and
- (2) Identify each company, corporation or business for which each such officer or director served, each position held by such officer or director for such other company, corporation or business, and the time periods each position was held.

RESPONSE TO INTERROGATORY NO. 9:

See Abex's response to Interrogatory No. 8, above.

INTERROGATORY NO. 10:

Has Defendant ever acquired, through purchase, reorganization or merger, another company, corporation or business which manufactured, sold, processed, distributed or contracted to apply, asbestos and/or asbestos-containing products?

RESPONSE TO INTERROGATORY NO. 10:

See General Objections. Abex further objects to this request on the grounds that it is compound, vague, ambiguous, overly broad as to time and scope, unduly burdensome, irrelevant to any issue in this action and not reasonably calculated to lead to the discovery of admissible evidence.

Without waiver of these objections, Abex responds, yes. In 1963, Abex acquired S.K. Wellman Co., a company which manufactured both asbestos and non-asbestos containing friction products.
