Millan,

Thanks for visiting with me about the possibility of getting your boss to Houston for TXOGA's annual meeting! I've forwarded the email below with a link to TXOGA so you can see more of the details. I confirmed that there will be 250-300 at the luncheon, which is the keynote and preferred time slot for him to speak on October 20. Of course, they would happily rearrange the schedule to accommodate him, if another time that day is a better fit. Also, there is a dinner the night before that we could make work; however, that will be a smaller crowd. The attendees are high level oil/gas folks, including several CEOs and Texas elected officials. Past speakers have included both Presidents and Laura Bush, Rudy Giuliani, Alan Greenspan, to name a few.

Other speakers on this year's program are CEOs of Pioneer and Enterprise Products. Other companies in The Woodlands are Anadarko and Exxon Mobil and I wouldn't be surprised if those CEOs don't also show up, if Scott is on the agenda. I can also get you the heads of government affairs at any of the companies that could schedule private meetings with their CEOs, if he has a desire for any meetings of those kind. I used to work for Shell and I'm happy to facilitate a meeting there with CEO Bruce Culpepper, if he has any interest.

I've attached the original letter from TXOGA CEO Todd Staples, as well. Let me know if you have any questions, or feel free to get in touch with Todd directly. Thanks for your help and I hope to meet you sometime soon!
