Monsanto

FROM (NAME & LOCATION): J. V. Robillard - Trenton Plant

DATE: January 24, 1975 cc C. D. Malloch

SUBJECT: NSF's Trace Contaminant Survey

REFERENCE:

TO: Paul B. Hodges
St. Louis, E1SF

Paul, as we discussed by telephone on 1-23-75, the only product concerning Trenton on the subject survey, Nonylphenol, ethoxylated (9 moles ethylene oxide), has not been produced at Trenton for two years and none is budgeted for 1975.

Enclosed is the packet for your file.
