Mr. J. P. Aitchison
U.C. Medical Center
Department of Pharmacology
San Francisco, California 94131

Dear Mr. Aitchison:

I am sending under separate cover some reprints that, I hope, will be of interest and assistance to you.

Let me say that it was a pleasure to talk with you about various aspects of the lead problem. Nothing would suit me better than to repeat my visit and to have more time for talk.

With kind regards,

Cordially yours,

Robert A. Kehoe, M.D.
Professor Emeritus of
Occupational Medicine
