Re: Nevada Power Company v. Monsanto, GE & Westinghouse
Case CV-S-89-555-LDG LRL

Dear Mr. Jones:

The Court has requested that we file a Joint Status Report by Tuesday, September 5, 1989. It is my understanding that the purpose of such a report is to advise the Court of any pending matters that immediately require the Court's attention and which it and the Clerk's Office may not be aware of because the matter was initiated in state court.

I have prepared a proposed Joint Status Report, a copy of which has also been forwarded to Bruce Alverson. If you have any additions or other recommendations, please contact me. Otherwise, contact my secretary, Ann, and she will send the original to your office for signature. I will see that it is filed.

Very truly yours,

John L. Thorndal
