

January 2, 1948

Dr. Frank W. Konzelmann,
Director of Laboratories,
Atlantic City Hospital,
Atlantic City, New Jersey.

Dear Sir:

Your letter of December 30th addressed to the Chief Chemist has been referred to me. I am taking the liberty of forwarding your letter to Dr. R. A. Kehoe of the Kettering Laboratory in Cincinnati, who I believe can answer all the questions which you raised.

Very truly yours,

Graham Edgar
Vice President

GE/dg
