Dear Dr. Kehoe:

Thank you for your letter of March 13, 1967. As you realize, we will not be able to include this letter in the supplemental material to the hearing transcript. I plan though, to make copies of the letter and circulate it to our Council of Technical Advisors. I will also consider your comments in preparing our recommendations to the Pennsylvania Air Pollution Commission.

I sincerely appreciate your interest in this matter.

Very truly yours,
