Dear CCIM PFAS WG members,

Many thanks for the interesting meeting last week, as follow-up you can find the following documentation in the annex:

- The presentation held by ██████████ on the VL temporary soil limit values
- Invitations and templates to the VL PFAS event that will be organized in February 2024

We will keep in touch for the preparation of the next CCIM PFAS WG meeting.

Kind regards,

DG Leefmilieu – Afdeling Productbeleid en Chemische Stoffen
