asbestos fibers that are hazardous to your health when made airborne by cleaning with compressed air or dry brushing.

Is that information that Ford knew when you started in 1973?

A Could you repeat the statement or let me see the statement?

Q I'll let you take a look at it. Just look at number, the second paragraph there.

A Dust and dirt present on car and truck wheel brakes and clutch assemblies may contain asbestos fiber that are hazardous to your health.

I think that's an overstatement, but --

Q I guess my question is, is that information that Ford knew when you started in 1973?

A That it may contain asbestos?

Q Right.

A Sure.

Q That's what Hickish and Knight studied in '68; right?

A Sure.

Q Okay. The third paragraph here also
