Chip,

It was good to talk to you the other day. I'm glad you'll be able to join Governor Bryant in welcoming EPA Administrator Scott Pruitt to Mississippi on Thursday, October 12, to talk about a revision to the Waters of the U.S. rule.

We will begin the day at the Governor's Mansion at 9:00 that morning. Following the meeting (approximately 10:30), we will go to Gaddis Farms, operated by Ted Kendall,

for the Administrator to talk briefly with a group of farmers and other stakeholders about the rule. Ted Kendall has graciously offered the Gaddis Farms lake house for the meeting which will begin at 11:00. If you would like to invite some of your members to the meeting at 11:00, please do. We would like to have their names in advance, if possible. I am attaching a map to the lake house.

Please call me, if you have any questions. Thanks for you input and help.
