Dear Vinyl Chloride Panel:

By Panel agreement, we are inactivating the Vinyl Chloride Panel.

Existing Panel funds will be maintained in a separate account and held until all pending legal issues have been resolved.

In the future, if the Panel wishes to reactivate, please contact the Division Director, Dr. Langley Spurlock at 202/887-1187.

Sincerely,

A handwritten signature in cursive script, appearing to read "Susan R. Howe", with a long horizontal flourish extending to the right.
