Mr. T. R. Schuman - Toledo 26

You are probing into a very sensitive area when you request information for transmittal to Japan on asbestos, its threat to health, government regulations and OCF plans for attacking the problem.

I'm not sure how much information OCF wants to release on the subject of asbestos. In any event, it should come from our Corporate Medical and/or Law Departments. I am, therefore, forwarding your letter to Dr. Konzen and Tom Schuman for reply.
