Hi Skylar,

Thank you for circling back with me! We might be able to do this in our hold room tomorrow after his speech. Not sure just yet as logistics are a little different than they were prior.

Could you please shoot me a text at 9AM tomorrow and I'll let you know what we are thinking?

Thank you!  
Millan

Millan,

Our executive director is at ECOS. I know the schedule is pretty tight. If the photo opportunity works out, great. If not, we will look for another opportunity in the future.

Thanks.

Mack,

It was such a pleasure to connect with you this afternoon. Thank you so much for the time and the details you shared regarding the YPO event in May. Per our conversation, I have attached the Event Request Form for you to complete and return to me . Once we have this form, we will get you an answer asap on whether the Administrator will be able to attend.

I believe there was also mention of meetings in addition to the speaking engagement. If you could also please include those on this form, that would be excellent.

Thank you so much for the invitation and I look forward to hopefully working with you.

Warm regards,

Millan Hupp
