Subject: biogenic CO2

Alex,

I would appreciate a quick call with you at your earliest convenience to follow-up on a discussion I had earlier this week with Mandy. We believe that we may have information that could be used to enrich a request for public comments, presumably strengthening the quality of the eventual rulemaking record. Please advise when you would be available or just give me a call anytime: 202-607-0054. Thanks for your consideration.

John
