W. A. Pavlo, Manufacturing Manager
Price Battery Corporation
Hamburg, Pennsylvania

Dear Mr. Pavlo:

Reference is made to your letter of August 15, regarding the discharge of effluents that contain lead into a stream.

I believe that the most authoritative answer to your question may be obtained from authorities in the state of Pennsylvania who are concerned with stream pollution and standards as they pertain to permissible levels of various agents in the waters of your state. Therefore, I would suggest that you write to:

Dr. Charles L. Wilbar, Jr.
Director of Health
Pennsylvania Dept. of Health
Post Office Box 90
Harrisburg, Pennsylvania

Yours truly,

Lee H. Miller, M.D.
