

Interoffice Communication

To : SAFETY AND HEALTH MANUAL HOLDERS

From : A. H. SATHER

Date : NOVEMBER 2, 1981

Subject : RESPIRATORY PROTECTION PROGRAM

Attached is the updated Respiratory Protection Program for the Aberdeen Chemical Plant. It should replace the old Respiratory Protection Program in your Safety and Health Manual, (Section 1.530). Also attached is an updated call list for the CHEMTREC to be included to replace old call list. (Section 1.250) Please replace 10/22/81 CONTENTS with revised 11/1/81.
