Hi Sam,

I thank you for your patience. I have been out of the office this week and am just now getting to your note.

I was just able to replicate logging in to your account using (b) (5) and the password (b) (5) on both Firefox and Internet Explorer.

Would you mind attempting to replicate once more? If the problem persists, I will reset your password.

Best,

Roger

Hi Jeannotte,

I've tried several times and this login is not working.
