Subject: Meeting request with Administrator Pruitt
[2017 Slagle Bio.pdf](#)

Dear Ms. Morris,

Mr. Dennis Slagle, President of Mack Trucks and Executive Vice President of Volvo Group, would like to meet with EPA Administrator Pruitt in Washington to discuss the Phase 2 Heavy Duty Truck and Bus Greenhouse Gas regulation regarding glider kits and potential future federal and California NOx emission regulations.

Mr. Slagle is available for a meeting in Washington the following dates and time windows:

Wednesday, August 23 – afternoon

Monday, August 28 – all day

Wednesday, Sept. 6 – afternoon

Thursday, Sept. 7 – all day

Friday, Sept. 8 – afternoon

I am attaching a copy of his bio. We can provide more details on attendees as needed.

Thank you for considering our request. If you have any questions, please let us know.

Jonathan Miller

Vice President

Government Relations and Public Affairs

Dennis R. Slagle

Executive Vice President, Volvo Group and President, Mack Trucks

Dennis R. Slagle is responsible for the commercial operations of the Volvo Group's truck brands (Mack Trucks and Volvo Trucks) in North America. Prior to his current position, Mr. Slagle was executive vice president of Volvo Group Trucks Sales & Marketing Americas, and president and CEO of Mack Trucks, Inc. and Volvo Trucks North America.

Mr. Slagle has also served as president and CEO of Volvo Construction Equipment North America, now headquartered in Shippensburg, PA. He has nearly 30 years of experience in the North American construction equipment industry, including serving as president of L.B. Smith, Inc., Volvo Construction Equipment's largest North American dealer at the time.

Mr. Slagle earned his B.S. degree from West Virginia Wesleyan College. He and his wife Karen have three children and seven grandchildren.

The Volvo Group is one of the world's leading manufacturers of trucks, buses, construction equipment and marine and industrial engines. The Group also provides complete solutions for financing and service. The Volvo Group, which employs about 95,000 people, has production facilities in 18 countries and sells its products in more than 190 markets. In 2016, the Volvo Group's sales amounted to about \$33 billion. The Volvo Group is a publicly-held company headquartered in Gothenburg, Sweden. Volvo shares are listed on OMX Nordic Exchange Stockholm and are traded OTC in the U.S.
