Dear Mr. Fabel:-

Your letter of the 22nd addressed to Mr. Jeffords has been received and I am sorry to say that Mr. Jeffords, though out of the hospital, is at home recuperating from two operations he has undergone and unable to transact business, and it is certain he will not be able to make any appointment for the 28th or 29th, and in the meantime I will await a reply to my letter to you of the 22nd which crossed your letter to Mr. Jeffords, giving the information asked for therein.

Yours very truly,
