Hi Scott,

I checked again. We have two completed nominations from National Park Service and four from U.S. Geological Survey. No new ones since Jan. 24.

Thanks,

Working it, still. Let me know if you have gotten any nominations yet from DOI and its bureaus, Tina and Jim.

Hi Scott,

Have you heard anything internally about DOI's nominations for the 2018 Service to America Medals and may we enlist your support? We had heard through Ray Limon that the Secretary's Office of the Chief of Staff is handling them they had 6 or 7 were in progress but none have been submitted so far. Although the official nomination deadline has passed, we can still accept them and definitely want to consider DOI's outstanding and inspiring accomplishments for recognition this year.

Please let me and Jim Seymour (CC'd here) know if you can provide an update or have any questions.

Many thanks,  
Tina
