We have been summoned to appear before the CMC on Monday, April 20, to review our current position on PCB's.

I understand that Bill Papageorge is going ahead and preparing the presentation and I hope we can get together to have a final review on Friday, April 17.

Attached hereto is a copy of Congressman Ryan's letter to Mr. Bock. So far, we have not been asked to prepare a reply to this but I have asked Ed John to make a first draft and to review this with C. J. Smith and yourselves tomorrow, April 14, as I shall be away.
