INTERDEPARTMENTAL COMMUNICATION

DATE: October 25, 1972

TO: Mr. [redacted]

LOCATION: Portland

FROM: E. D. O'Neill

LOCATION: Tigard

SUBJECT: Atagel - (Min-u-gel)

Yes, we are most certainly interested in evaluating min-u-gel 200 and 400, as they appear to belong to the same family as Atagel 40. We would appreciate if you would obtain samples of the above.
