way, and had reservations—much to the envy of a good many other tourists who are striving to get on planes out of the Islands.

The Wilburs returned Tuesday and Dr. Wilbur left Wednesday to join his father, Dr. Ray Lyman Wilbur, at the hunting and fishing camp in the Siskiyou that the Stanford chancellor and a few of his cronies have visited for years during this season.

These sportsmen, including J. Pearce Mitchell, registrar emeritus at Stanford, and Fred Smith, pack into their mountain paradise where Rule No. 1 is "no women allowed."

NEWCOMERS: Commuting, not only to San Francisco, but to Sacramento for a day or two each week, is the schedule for Ralph Nelson, actuary for the City of San Francisco and the State of California, who has
