Thank you, Danny.

Tate -- please see Danny's question regarding who all should be in the Administrator's meeting with Governor Holcomb.

Address for the farm is:

10132 East County Road 700 N.

Brownsburg, IN 46112

Amy... I'm copying Courtney and Stephanie Wilson, the Gov's press secretary, here. As I mentioned to Millan last night, a sit-down with Gary Truitt and Hoosier Ag Today would not only be easy but could be accommodated at the Farm. Given the timing of his arrival, a live spot on radio on Wednesday won't work but we could think about taping a segment Tuesday sometime if the Administrator would be up for that. It would be WIBC radio here in Indianapolis.

This may be a Tate question, but what's your vision for who ought to be in the meeting at the Statehouse? Also, we are working on a list of participants for the WOTUS roundtable and we'll share that with you as soon as we have it.

Finally, the Blackhawk can depart from Eagle Creek Airport, which is just 10 minutes from Starkey's.

Danny -- as you can see in the agenda below, we may be including a private coffee upon arrival into Indianapolis so if we may, could we please keep the current meeting with Governor Holcomb at the Statehouse? I know this is contrary to what we discussed last night and I apologize for the change. Kindly let me know if the rest looks good. I think the only thing I am waiting on from you would be the address of Starkey Farms.

Copying Amy on our press team who will work with your folks to determine how we want to loop in press on this visit.

Thank you so much,

Millan
