Dear Dr. Kehoe,

Further to Mr. Fossett's letter to you dated 31st August, 1945, we are now enclosing herewith Abadan's original sheets on lead in urine estimations.

It was Mr. Fossett's desire that these should be forwarded to you in the first instance, but, due to a misunderstanding and his absence from the office at time of despatch, we merely sent you copies of extracts from these sheets.

c Yours very truly,

for H. FOSSETT.
